

WEEKEND

MBA

Master of Business Administration

“Join us to share the vision of developing professional managers who will uplift the lives of people through transforming their organizations to move beyond profit”

Selection Procedure

The selection procedure includes three steps. First, the suitability of the applicants to the programme is assessed using the information provided in the application. All the applicants who do not satisfy the minimum qualifications including academic and/or professional qualifications and post-qualifying experience at managerial capacity will be rejected. Second, the remaining applicants will be called for a written examination in which analytical skills, conceptual skills, knowledge of the business environment and proficiency in English will be tested. Finally, the applicants who are successful at the written examination will be called for an interview in which the applicants are assessed in terms of their demonstrated management competencies, career prospects and personal characteristics.

In the case of applicants holding foreign citizenship applying from outside of Sri Lanka, having resided outside of Sri Lanka for a period of at least one year from the date of applying, the requirement of successful performance at the Admission Test and interview stated may not be applicable. In such cases the score in the English Language Testing System (IELTS) may be accepted in lieu of the Admission Test and Interview. The applicant who has earned an IELTS score not less than that stipulated by the Faculty Board within the last two years from the date of calling applications for the MBA Programme in that year shall be considered eligible to apply for MBA Programme in that year.

University of Colombo

The University of Colombo, which can be claimed as the oldest University in Sri Lanka, has been associated with higher education for over 100 years. It is a metropolitan university and the students are at a distinct advantage being at the hub of the cultural, economic and political activities of the country. University of Colombo has become a leading university in the region and has received high international rating being the best University in Sri Lanka. In that University of Colombo is the best known Sri Lankan University throughout the globe.

Faculty of Management & Finance and her MBA Programmes

The Faculty of Management & Finance which was established in May, 1994 has more than thirty years of history in management education, despite being the youngest Faculty of the University of Colombo.

The history of the Master of Business Administration (MBA) programme of the University of Colombo runs into more than three decades and it is one of the oldest MBA Programmes not only in Sri Lanka but also in the South Asian region. During these three decades, it has produced a significant number of professional managers who work in different parts of the world. Meantime the MBA of the University of Colombo has transformed itself into one of the well recognized MBAs offered by universities in South Asia.

Students who are enrolled in the MBA Programme have the option of reading for the MBA or specialized MBA. This facilitates students to customize their learning experience to best suit their career aspirations, learning habits and interests. It is the belief of the Faculty that all these features would help to reach the following valued learning outcomes of the MBA Programme.

- Leading any organizational transformation effectively and managing the organization efficiently.
- Being critical in translating the science of management into business decision making so that he/she is capable of responding to the decision making context in the most suitable manner.
- Being a competent team player with the highest commitment in developing a sense of community within the organization.
- Being a professional manager in all his/her conduct within and outside the organization.
- Being a responsible and valued citizen.

Options Available

Students have three options in reading the selected degree programme namely, Coursework Option, Research Paper Option and Thesis Option.

Coursework Option

This option is offered to students who are interested in reading for a more professionally oriented Master's Degree. They complete their degree earning all required credits from taught courses.

Research Paper Option

This option is offered to students who wish to maintain a balance between professional and academic orientation in their Master's Degree. They complete their degree, following a course on Research Methods and writing a research paper together with taught courses.

Thesis Option

This option is more suitable for academics and professional researchers who need and wish to have a rigorous training in management and business research. Ideally this is appropriate for those who have a plan to read for a higher degree. They complete their degree following three courses on Research Methods and writing a Thesis together with taught courses

Business Skill Project Option

This option is available for the students who wish to develop skills for managing compressive projects addressing organizational issues. They complete their degree following a course on writing project reports and submitting a project report together with taught courses

Duration of the Programme

The duration of the programme is 6 Trimesters in two (02) years. The traditional classroom learning is essentially coupled with residential workshops, soft skills development sessions, field visits, seminars/conferences, online learning, off-campus assignments to augment the learning experience.
