THE EMBA AT
Faculty of Management & Finance

“

The University of Colombo, as the oldest institution of modern higher education in Sri Lanka, has been providing higher education for local and international students for over 100 years. Located primarily in the capital city of Colombo, University of Colombo is a leading public university in the region and has internationally ranked as the best university of the country. With over 11,000 undergraduate and postgraduate students and with its global partnerships with universities around the world, the University of Colombo strives to maintain academic excellence in teaching and learning, collaborative research, curriculum designs and student exchange. With its multi-cultural and multi-ethnic student and staff population which values equal opportunity, social harmony and unity, University of Colombo has become a center of global excellence in education and is the best known Sri Lankan University across the globe.

”

“

EMBA offered by the Faculty of Management and Finance, University of Colombo is the first of its kind offered by a national university in Sri Lanka. It is a highly customized Masters degree program designed to enhance the capabilities, skills and qualifications of senior level managers. EMBA will help learning partners to accelerate their already successful careers by providing them a platform to develop themselves further to improve their leadership skills and managerial skills. The EMBA curriculum is specifically designed to shape the learning partners' personal as well as professional development. The courses offered have a healthy balance of theory and practice with ample opportunity for networking, experience sharing including a foreign field visit.

”
