MPhil/ PhD IN MANAGEMENT AND BUSINESS STUDIES

This is an interdisciplinary programme administered by the Research Degrees Unit of the Faculty. The programme enrolls students for the MPhil Degree providing the opportunity either to exit with MPhil in 2 years or to upgrade to earn PhD in 3 years.

We provide you comprehensive research training within the first year, beginning with a thorough philosophical foundation to enabling you to make a rational choice of the research strategy.

In the research training process we do not rely on traditional lecturing style .we mainly concentrate on interactive sessions and seminars focusing on "learning by doing" as an effective mode of delivery.
