Faculty of Management & Finance
Postgraduate & Mid-career Development Unit

Faculty of Management & Finance

The history of higher education in Sri Lanka is closely linked to that of the University of Colombo. The University of Colombo has a great advantage over the other Institutions of higher education on account of its unique location. It is a metropolitan university and the students are at a distinct advantage being at the hub of the cultural, economic and political activities in the country. Having established seven Faculties, the University of Colombo has become the leading University in the Island and has received a high international rating as the best University in Sri Lanka.

Established in May 1994, the Faculty of Management & Finance is a rapidly growing Faculty of the University of Colombo.

The history of the Master of Business Administration (MBA) of the Faculty of Management & Finance University of Colombo runs into more than three decades and it is one of the oldest MBA Programmes not only in Sri Lanka but also in the South Asian region. During these three decades, it has produced a significant number of professional managers who work in different parts of the country and the world. Meanwhile the MBA of the Faculty of Management & Finance, University of Colombo has been transformed into one of the well-recognized MBAs in the region.

In 2016, once again the Faculty introduced a restructured MBA programmes in compliance with the Sri Lanka Qualifications Framework. The duration of the programme is two (02) academic years within which students should earn sixty one (61) credits. Traditional classroom learning is essentially coupled with off-campus assignments, seminars and field/company visit and residential workshops to augment the learning experience.
