

MASTER OF APPLIED FINANCE (MAF) 2026

01.

The Master of Applied Finance (MAF) programme's curriculum is meticulously crafted to blend theoretical knowledge with practical applications, ensuring that graduates are not only well-versed in fundamental finance concepts but also adept at navigating the complexities of real-world financial environments. Its rigorous curriculum, practical focus, and ethical grounding make it an excellent choice for professionals seeking to advance their careers in the finance industry. I highly recommend this programme to anyone looking to excel in the dynamic world of finance.

Mr. Nuwan Jayawardana
Director - Investment Research
Acuity Knowledge Partners

The MAF programme at the University of Colombo provides students with strong competence in the finance industry. It offers practical insights and an innovative perspective on finance. I highly recommend this programme as it is truly beneficial for personal growth, professional aspirations, and career success.

02.

Professor Shanthi Buvanendra
Department of Finance,
FMF, UOC

03.

The Master of Applied Finance program gave me practical, hands-on experience and a deep understanding of financial markets, instruments, and strategies. The curriculum is industry-relevant and delivered by a highly knowledgeable lecture panel who brings real-world examples into the classroom. I highly recommend this program to anyone looking to advance their career and gain a competitive edge in the finance industry

Ms. Dewangi De Silva
MAF Graduate, 2024 Batch
